

Bus booking Procedure to Book a ticket

Send an SMS/Hangout by typing code **DK<retailerregisteredmobilenumber>A10** or go to DTH options in Android app and type your number.

ARN Bus booking agent will call the registered number within 2 min to take the following details:

1. From and To (from which place to which place they need to go)
2. Round trip or single way journey
3. Date of Journey
4. Preference like budget, A/C, Non A/C, Window seat etc...
5. No. of tickets and cost
6. Name and Mobile no's of passengers
7. The ticket amount will be conveyed and the retailer must send the same amount by using same code **DK<registered mobile no>A<balance amount>**
8. Within 2 minutes retailer will get reserved seat booking details SMS which he can forward to the passenger.

Note: Please have the passenger ready with the above details before you send us the SMS.

****Margin of 3% will be credited directly into retailer account immediately.***
