

Cab booking Procedure to Book

Send an SMS/Hangout by typing code **DU<retailerregisteredmobilen>A10** or go to DTH options in Android app and type your number.

ARN Bus booking agent will call the registered number within 2 min to take the following details:

1. From and To (from which place to which place they need to go)
2. Round trip or single way journey
3. Date of Journey
4. Preference like budget, A/C, Non A/C, Indica, Innova etc....
5. Name and Mobile no's of passengers
6. The total amount will be conveyed and the retailer must send the same amount by using same code **DU<registered mobile no>A<balance amount>**
7. Within 2 minutes retailer will get reserved booking details SMS which he can forward to the passenger.

Note: Please have the passenger ready with the above details before you send us the SMS.

**Margin of 3% will be credited directly into retailer account immediately.*
